

## Resources

### Societies, Organizations And Institutes For Mathematicians

- [e-Math: The Website for the AMS](#)
- [The Mathematical Association of America](#)
- [SIAM: The Society for Industrial and Applied Mathematics](#)
- [Association for Women in Mathematics](#)
- [MSRI: Mathematical Sciences Research Institute](#)
- [IMA: Institute for Mathematics and it Applications](#)
- [European Mathematical Society](#)
- [IMA Standard Math-Net Services](#)
- [SAMSI: Statistical and Applied Mathematical Sciences Institute](#)

### U.S. Government Mathematical Sites

- [National Science Foundation](#)
- [NSF Fastlane](#)
- [National Institute of Standards and Technology](#)
- [Mathematics at Los Alamos National Laboratory](#)
- [Oak Ridge Associated Universities](#)

### Internet Databases/Information Servers

- [arXiv.org e-Print Library](#)
- [Hypatia Electronic Library](#)
- [The University of Tennessee Math Archives](#)
- [TeX Catalogue](#)
- [Worldwide Listing of Mathematics Web Servers](#)
- [Archive of Math Publications on the Web](#)
- [Penn State Worldwide Mathematics Web Page Database](#)

### Mathematics Pages In Specific Disciplines

- [Dynamical Systems Page at SUNY Stony Brook](#)
- [The Probability Web](#)
- [The Geometry Junkyard](#)
- [Geometry Center](#)

## Online Trainings

- Office Environmental Health & Safety Test  
(if you took the training before August 7, 2013)
- Office Environmental Health & Safety Test (for new hires)
- Laboratory Workers Training
- Laser Safety Training
- FERPA Training

Once you have taken the Safety Trainings please email Sunny Oakley and let her know the date that you took each training.
