WHO TO CONTACT WITH QUESTIONS

REGISTERING FOR MATH CLASSES?

Erin Willis
Undergraduate Student Services Manager
Phillips Hall 336
ewillis3@email.unc.edu

SATISFYING DEGREE REQUIREMENTS?

Academic Advising
https://advising.unc.edu/advisor/
Steele Building/Hardin Hub

COURSE CONTENT OR WHICH CLASS?

A math department advisor
(Erin Willis will put you in contact)
or the course instructor
(especially for special topics, MATH 590)
**MATH MAJOR OVERVIEW**

These are not the complete requirements, but an overview of math courses at higher level

Complete info: https://catalog.unc.edu/undergraduate/departments/mathematics/

- **BA Mathematics**
  - 381, 383, 347 or 577, 521, + 3 above 500

- **BS Mathematics**
  - 381, 383, 347 or 577, 521, + 5 above 500
  - one from {522, 523, 528, 566} one from {533, 534, 548, 578}

- **BS Mathematics (Applied Option)**
  - 381, 383, 347 or 577, 521, + 5 above 500
    - 5 from {522, 523, 524, 528, 529, 535, 548, 560, 564, 566, 661, 668, 383L-528L-529L}

For the general BS, MATH 590 will count as one of the over 500 courses automatically. For the applied BS, because 590 is not on the list of classes, it will not be automatically applied (also, some topics are not applied topics), you would need to contact the Director of Undergraduate Studies, to have 590 count towards the applied BS.
# COURSE OVERVIEW

</tbody>
</table>

S - typically Spring only,  F - typically Fall only,  L - optional Lab component
GRADUATE CLASSES

- Permission of the instructor is required
- Must have completed the undergraduate version
- Beneficial when applying to graduate school, both in terms of the actual application and in helping to narrow down interests

<table>
<thead>
<tr>
<th>Course</th>

SUMMER CLASSES

- Select upper-level classes are offered over the summer in one, or both, summer sessions: https://summer.unc.edu/

- Typically Offered:
  - 381, 383(L), 347
  - 521
  - 528(L), 533, 535, 566
UNC Faculty Lead:

- **Math in Florence**
  MATH 381 – contact Professor Sawon – sawon@email.unc.edu

- **Math in Stockholm** (plans to return Summer 2025)
  MATH 381 – contact Professor Rose – davidrose@unc.edu

Longer Programs:

- **Budapest Semesters in Mathematics** (Spring, Summer, and Fall)

Other Partnerships for Math & Non-Math Courses:

- **National University of Singapore**
- **King’s College London**
CONSIDERING GRADUATE SCHOOL

- GRE Math Subject Test required for many programs
  - calculus 50%, algebra 25% (linear, abstract, number theory), additional 25% (real analysis, discrete math, combinatorics, topology, geometry, probability, complex variables, numerical analysis)
- Within Mathematics programs, many have different “flavors” (pure, applied, math biology…) so suggested courses to prepare vary
  - Solid foundation in analysis, linear algebra, and differential equations
  - Courses to prepare for GRE, if program requires score
DATA SCIENCE CLASSES

▷ Suggested Math Classes
  ▷ Calculus sequence, MATH 381, 347
  ▷ MATH 210 – Mathematical Tools for Data Science
  ▷ MATH 560 – Optimization
  ▷ MATH 566- Intro to Numerical Analysis

▷ Suggested Computer Science Classes
  ▷ COMP 210 – Data Structures
  ▷ COMP 301 – Foundations of Programming
  ▷ COMP 550 - Algorithms

▷ Suggested Statistics Classes
  ▷ STOR 320 – Statistical computing
  ▷ STOR 415 – Decision analytics/Optimization
  ▷ STOR 455 - Methods of data analysis
  ▷ MATH 535/STOR 435 – Probability

▷ Even more options
  ▷ COMP 560, 562, 535, 581, 486
  ▷ STOR 445, 556, 555
Popular Careers for Math Majors

- Actuary
- Analyst
- Data Scientist
- Mathematician
- Modeler

Optimizer
Statistician
Computer Analyst
University Professor

AMS Career Info

- American Mathematical Society

MAA Careers in Math

- Mathematical Association of America

Many other fields value an education in mathematics!!!
WHERE MATH MAJORS GO (GRADUATE SCHOOL):

Yale (Physics)
Harvard (Applied Math, PHD)
UNC (Mathematics)
UNC (Biostatistics)
UNC (Masters in Teaching - Secondary Mathematics)
Duke (Biostatistics)
Georgia Tech (Mathematics)
Duke (Business Analytics)
Columbia (MS Data Science)
UC Berkeley (Electrical Engineering and Computer Sciences)
NCSU (Data Analytics)
WHERE MATH MAJORS GO (CAREERS):

NextEra Energy, Ignite Leadership Program
Fullstack Engineer at Fidelity
AstraZeneca (Graduate Scientist)
United Health Care (Network Pricing)
UNC (Research Technician)
DRW Holdings

JP Morgan Chase
iD Tech (Online Instructor)
Oliver Wyman (Analyst)
LabCorp (Data Analyst)
Sequence (Consultant)
R4 Capital (Financial Analyst)
CapTech Ventures (Associate Consultant)
HeelsEngage

Please consider joining the Department of Mathematics Heels Engage Group. By joining the group, you can:

• Connect with former math alumni
• Review new opportunities for math majors
• Participate in student discussions
• Meet with other students and mentors who have similar interests and majors
OPPORTUNITIES FOR UNDERGRADUATES

- Honors Thesis
  - Part of the requirement for Graduation with Honors
- Directed Reading Program
  - Pairs undergrad with grad student for semester-long independent study
- Association for Women in Mathematics
  - Foster a sense of community and promote diversity within mathematics
- Carolina Math Club
  - Talks by professors, grad students, and undergrads and social events
- MATH294 Problem Solving Seminar - contact Prof Sawon sawon@email.unc.edu
  - Putnam (1st Saturday in Dec) competition
- Undergraduate Learning Assistant
  - Volunteer, credit, or work study to assist in undergraduate classes
- Peer tutor at the Learning Center
  - Earn 3 hours of EE credit (EDUC 387), then potential to get hired
